

# BUILD YOUR OWN SPACESHIP TWO

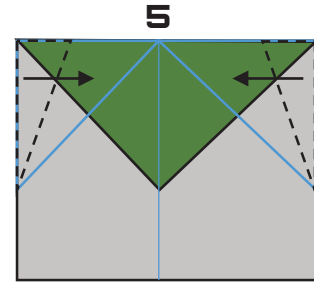

1. Fold along center line, then unfold.
2. Fold left and right corners down towards center line.
3. Fold down top point.

Please **follow this instruction sheet** and print pages 2,3 on two sides of a single piece of paper.

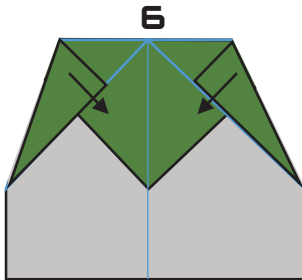

Start folding with the blue line facing you.

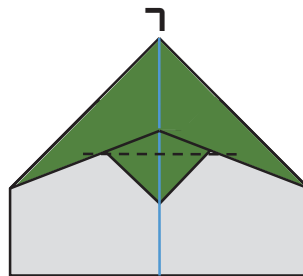

4. Fold left and right corners down, then unfold.

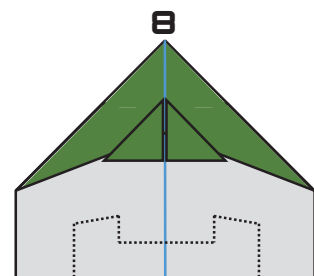

5. Fold left and right corners in to Step 4 folded line.

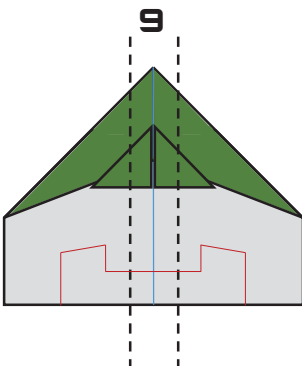

6. Bring folded corners in on Step 4 folded line. The woman holding a flag should be visible now.

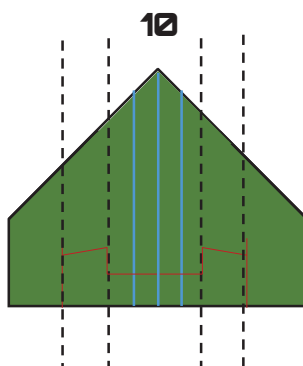

7. Fold up small triangle in center of page.

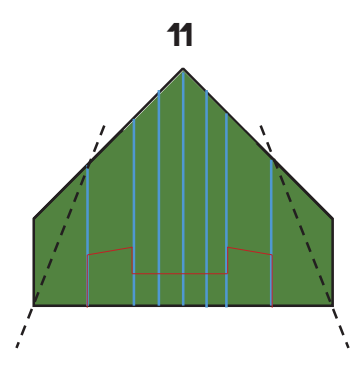

8. Cut out the dotted portion on the page.

9. Add additional folds as shown. Then flip page over.

10. Add additional folds as shown to create the wings.

11. Fold over final outside pieces as shown to reveal the eye logo and get to flying!
